SEVENTY-EIGHTH REGULAR MEETING Montana State Board of Dental Examiners Billings, Montana, July 11, 1971

The meeting was called to order at 1:30 P.M. by Dr. Moses, President. All Board members were present. Representatives of both Dental Supply houses were present to discuss progress in setting up of facilities and securing necessary equipment for the examination. Both representatives left following this discussion.

The following items of business were discussed or acted upon.

1. As soon as the Montana State Board of Dental Examiners acquires sufficient information concerning continuing education requirements for re-licensure, a recommendation will be made to the executive council. At the present time contact is being made with two states, Minnesota and Kentucky, who have continuing education requirements for re-licensure.

2. Dr. Dean Sullivan will represent the Montana Board at the National Board of Examiners meeting in Atlantic City in October.

3. The following dental hygienists licenses were revoked because of non-payment of license fee: Gloria LeKander, Lewiston, Idaho; Mildred Dallich, Great Falls, Mont.; Sandra Golay, Hansen, Idaho; Sandra Collins, Bozeman, Mont.; Nancy Conner, Salt Lake City, Utah; and Gwendolyn Halterman, San Francisco, Calif.

4. Notice of cancellation of examination by examinees must be postmarked twenty days prior to beginning of examination before examination fee will be refunded.

MEETING ADJOURNED UNTIL 9:00 A.M. THURSDAY, JULY 15th.

5. As long as a gold foil restoration remains a part of the practical Montana State Dental Board Examination, it was decided that only a class III will be accepted. The Board felt that a standard tooth surface for all candidates would create a more uniform examination.

6. The Board will hire Mrs. Eleanor Terrill, Helena, Montana as executive secretary-treasurer, effective October 1, 1971. Mrs. Terrill will be hired for one year at a salary of \$110.00 per month.

7. Officers elected for the coming year were Dr. Dean P. Sullivan, Billings, President; Dr. John S. Peterson, Whitefish, Vice-President; Dr. Dean D. Koffler, Lewistown, Secretary.

President Moses adjourned the meeting at 1:15 P.M.

Respectfully submitted,

Dean D. Koffler, D.D.S.
Secretary-Treasurer
Montana State Board of Dental Examiners.

WINTER MEETING

Billings, Montana, January 13, 1971

The meeting was called to order at 1:45 P.M. by Dr. James Moses, President. All Board members were present and minutes from the July, 1970 meeting were approved.

The following items of business were discussed and/or acted upon.

1. The Secretary was instructed to write letters to both Montana Dental Supply Houses informing them that the Board will not pay for any dental supplies used by the examinees during the July Board exam. The responsibility to the applicants for their own supplies is stated on the application forms.

2. The Secretary reported to the Board on the available dental facilities at Malmstrom Air Force Base which could be used to give the annual examination. Since only 12 of the 18 dental units available are located in one area, it would be very difficult to examine more than 24 candidates (2 groups) at one time. Because the Board anticipates more than 24 candidates will be taking the State Board examination, it was decided to keep our present facilities at Eastern Montana College in Billings.

3. The licensing of foreign dentists was discussed since several inquiries are received each year. It was pointed out that the National Board of Dental Examiners, at their annual meeting in Las Vegas, Nevada, has recommended study concerning qualifications of foreign dentists and accreditations of schools from which they have graduated. These will be used as guidelines for the component state members.

4. The Secretary was instructed to write a letter to all executive council members advising them of the Board's position on the use of auxiliary personnel.

5. The Board approved a motion that the annual renewal fee for dentist practicing in Montana be reduced from \$15.00 to \$10.00, effective January, 1972.

6. The Secretary was authorized to pay the increased membership dues (\$10.00 per member) to the Western Board of Dental Examiners.

7. The Secretary was authorized to send a letter to all states regarding entering into reciprocity with Montana for the practice of dental hygiene. Section 66-923, paragraph 4 of the Dental Practice Act allows this procedure.

8. Permission was granted the Secretary to list all recently deceased Montana dentists in the Annual Report.

President Moses adjourned the meeting at 5:15 P.M.

Respectfully submitted,

Dean D. Koffler, D.D.S.

Secretary-Treasurer

Montana State Board of Dental Examiners

SPRING MEETING

Missoula, Montana, May 23, 1971

The meeting was called to order at 3:30 P.M. by President, Dr. James Moses. The following items of business were discussed or acted upon:

1. Immediately prior to the Board meeting the Secretary reported to the Executive Council on the major activities of the Board of Examiners during the past year.

2. An X-Ray diagnosis slide examination to be used at the Annual Board examination was purchased from Dr. Jacobson, assistant professor at the University of Washington Dental School, for \$300.00. The series of 40 slides is well mounted and should last for a number of years.

3. It was decided, at this time, to table the character reference program proposed by the American Association of Dental Examiners. Our Board accepts application up until 20 days before the date of the examination. Thirty to sixty days notice are required for the character reference program.

4. The delegate to the National Association of Dental Examiners will be decided at the July Meeting.

5. Dr. Koffler reported to the Board on his attendance at the Western Conference of Dental Examiners and Dental School Deans held in Reno, Nevada, on May 15, 16, 1971. Discussions were held with Board members from Montana, New Mexico, and Wyoming on the possibilities of establishing a regional dental examination to include the states of Montana, Wyoming, Colorado, and New Mexico. Preliminary investigations are being made by several members of these boards to determine the feasibility of a regional board.

6. The number of applicants and arrangements for the July Board examination were discussed.

7. The motion was made and seconded that Montana dentists who are retired from active practice will not need to pay an annual \$5.00 license renewal fee to remain on the active mailing list.

President Moses adjourned the meeting at 6:30 P.M.

Respectfully submitted,

Dean D. Koffler, D.D.S.

SPECIAL MEETING

February 5, 1971

Montana State Board of Dental Examiners

Helena, Montana

A special meeting was held in Helena, Montana on February 5, 1971 at 9:30 A.M. to consider Senate Bill #175, as proposed by Senator James. At 11:00 A.M. the group adjourned to the capitol building for a hearing on this bill. Board members and Dr. Terrill testified that they were neither opponents nor proponents of this bill.

Present at this meeting were Board members, Edgar Guay, D.D.S., James Smith, D.D.S., and Dean Koffler, D.D.S. Also present were Jack Terrill, D.D.S., John Lohman, D.D.S., and Russ Hegeland.

Senator James, in effect, withdrew his original bill that dealt only with our reciprocity clause and through amendment substituted a completely different bill which deleted paragraph 6 from section 66-905 of the D.P.A. The deleted paragraph 6 reads "no person shall be qualified to be licensed to practice dentistry in this state or to have issued to him or her a certificate to practice dentistry in the state who is not a citizen of the United States of America."

Deletion of the Citizenship requirements does not mean we must examine all foreign dental students since the D.P.A. states that Board examinees must have graduated from a school accredited by the Council on Education of the American Dental Association. The pool of available dentists will be increased in the following two ways only.

- (1) Graduates of 7 Canadian School accredited by the Council on Education will be allowed to take the State Board Examinations.
- (2) Foreign dentists who have passed the SAED examination and placed in accredited dental schools in the United States on a progressive basis for their dental education could take the State Board Examination at the time they graduate from an accredited American dental school rather than wait until they receive their United States citizenship.

Montana joins 17 other states who have removed the Citizenship Clause from their Practice Acts.

Respectfully submitted,

Sincerely,

Dean D. Koffler, D.D.S.

Secretary-Treasurer

Montana State Board of Dental Examiners

BOARD ACTION CONCERNING RECIPROCITY FOR DENTAL HYGIENISTS

The secretary was authorized by the Board to send the following letter to all forty-nine states. The Montana Board would still require an oral interview with the candidate before granting a license for dental hygiene, even though a reciprocity agreement existed:

"The State of Montana extends an invitation to your state to enter into a reciprocity agreement for the practice of dental hygiene by duly certified graduates of accredited schools of dental hygiene. Montana would then grant a license to a certified dental hygienist licensed by your state, without a formal examination, and your state would grant a similar privilege to hygienists licensed by Montana.

Section 66-923, paragraph 4 of the State Dental Practice Act grants the Montana State Board of Dental Examiners this authority.

We would be pleased to hear from you in the near future concerning this request."

The states that responded favorably to the request are listed below:

States who desire to reciprocate: Kentucky, Rhode Island, Utah (we are still waiting for a written agreement the Utah secretary stated he would send).

States who have limited reciprocity (i.e., require specified periods of practice, etc., before reciprocity would be granted): Connecticut, Delaware, Illinois, Minnesota, New Hampshire, Pennsylvania.

Changes in reciprocity for dental hygienists among some other states will probably be made in the future as their letters indicated.

Dean D. Koffler, D.D.S.

Secretary

Montana State Board of Dental Examiners
